Re: Friends of Joe Baca, FEC ID #C00325449
30 Day Post-General Report (10/17/02-11/25/02)

Dear Ms. Dachik:

Thank you for your recent letter regarding the Friends of Joe Baca committee. Your letter states that this Committee did not disclose complete contributor information and may have accepted contributions which were not federally permissible.

We will promptly file an amended Schedule A to disclose that all contributions received were federally permissible. Also, the schedule will include complete identification information for all contributors.

Your letter also states that the Committee may have failed to report two contributions previously disclosed on a 48 hour "last minute" report filed on November 1, 2002.

Please note that the Committee received additional information from these contributors subsequent to the 48 hour report filing. This information revealed that the \$1,000 contribution reported from David Lizarraga was in fact wholly attributable to Yvonne Lizarraga. Similarly, \$500 of the \$1,000 contribution originally reported from Michael Lizarraga was attributed to Oneida Lizarraga. The proper attributions of these contributions are accurately reported on the Post-General statement.

The attribution information the Committee received subsequent to the 48 hour filing may have lead to the misconception that the Committee failed to file all necessary 48 hour notices. Upon your review of the above information it will be evident that the Committee filed all necessary "last minute" reports.

Please do not hesitate to call me if you have any questions.

Sincerely,

Joe Baca
